City of St. Vlas is located at the foot of the eastern part of Stara Planina mountain range. This is the only place in the region where the air currents of sea and mountain air are saturated with iodine ions efficiently. Its content in the air has a positive effect on the deseased with bronchial asthma and other lung diseases, which makes St. Vlas an excellent balneo resort.

The resort is in 45 minutes by car from Bourgas International Airport (41.5 km), in 10 minutes from the ancient Nessebar (10.4 km) and just in 5 minutes from Sunny Beach resort (5 km). You can combine a your stay in St. Vlas with visiting attractions of ancient cities and entertainment of the resort villages.
